

Sanderson Theatre Ensemble

"Where Acting Out is Encouraged"

The below Sanderson Theatre committees are looking for some additional members. We realize everyone is busy and many of you are likely helping another program here at Sanderson. If you are willing to be part of a committee, it lessens the load for everyone.

Holly Days - This ITS student led committee could use a couple adults to help ensure that STE/ITS Program & Booster standards are upheld. Tasks may include communication with Holly Days ITS leadership team, tracking application and organization deadlines, connecting with Mrs. Cioffi (in early October) to ensure she can once again donate bread for the sale, helping to put together the ITS gift basket, ensuring that ITS members have planned groups to make the baked goods we donate.

Sandersons - This ITS student led committee needs adults to help ensure that STE/ITS Program & Booster standards are upheld. Tasks may include, communication with the Sandersons ITS leadership team, tracking audition and rehearsal deadlines for Sandersons program and ensuring that ITS leadership team is communicating. Following up with ITS team on their decoration plan, purchasing/picking up the flowers and gift cards.

ITS Service Project (AIDS Alliance + 1 other TBD) - ITS student led project. Organizing and overseeing collection of specific holiday meal canned and dry good items as well as monetary donations for AIDS Alliance, purchase of necessary number of holiday greeting cards, coordinating all STE/ITS students signing the greeting cards for inclusion in the food gift bags.

Marketing & Events - Booster liaison to the ITS led "Brew (coffee ☺) Night" events (one in Fall, one in Spring) to help ensure that STE/ITS Program & Booster standards are upheld. Communication with ITS organizational leadership team, accompanying ITS students to restaurant/locations to request/establish guidelines for events, making sure that the ITS team has a marketing plan and sufficient supplies, follow up with each venue upon completion of the event.

NCTC & ITS Festival Meals Coordinator - Parents who will be chaperoning the NCTC and/or ITS Festivals who can also be responsible for organizing the meals/food orders. Usually a sandwich bar (pre-purchased supplies that are taken in a cooler and set up onsite) or pizza ordered onsite. The Booster credit card can be used onsite, or receipts will be reimbursed.

Fall Play Cast Party - Host a cast party at your home after the Saturday night performance. Event is for actors and technicians, party concludes around midnight and each student pays \$5 towards food and drink.

Booster Officer Role - Historian - Assemble slide show for Sandersons. Take photos of theatre students at festivals, brew nights and other group events. Parents and students are encouraged to share their photos with the historian as well.

Booster Officer Role - Alumni Coordinator - Push communication out to Alumni base. Contact information provided.

Able to help out, please send name, phone number and committee(s) you can help with to shstheatreensemble@gmail.com THANK YOU!
